## Order Form for *Behind the Scenes*:

*Disagreements, disputes and conflict- how to understand and begin to resolve them.*

This 36 page booklet is based on the apostle Paul's letter to the Romans chapters 12 to 14. In the context of these chapters, our Lord's teaching on love and our relationship with God, we explore ourselves as individuals and our relationships with each other.

We look at how we can put spiritual concepts into practice in our lives as disciples of Christ. For example:

- We are called to offer ourselves as a living sacrifice; to think of ourselves with "sober judgement" and that our "love be genuine". What does this mean in the interactions of our everyday lives?
- What are the underlying factors that can lead to disputes?
- Paul tells us to "Live in harmony" and to "agree with one another". How do we find agreement in conflict?

We include a Bible template for managing disagreement, based on Paul's letter to the Philippians.

We offer this booklet to you in hope and prayer that it will help in developing our fellowship through which we might bring glory and honour to the Father and our Lord Jesus Christ.
