

Sisters' Day 2019
Concluding Prayer by Sister Lesley Cowlshaw

Let's talk to God

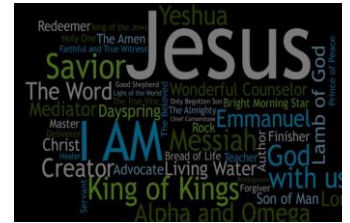

Our dear Father God,
Thank you so much for encouraging us all today.
We have been encouraged by each other,
the ready smiles, the listening ears, our tongues to talk and praise.

All this because of your wonderful love for us in Jesus.
Please continue to encourage us
- be the rainbow in our cloud.

On those days when life is challenging, help us to feel your presence with us.

Lord Jesus, please set your guiding hand on ours
and lead us gently in your path.
You are the Prince of Peace when we feel anxious.
You are the Good Shepherd when we feel lost.

You are our strong tower when we feel battered by the storm.
Please help us in the storms of life,
not to wait for the storm to pass,
but to sing in the rain.
May we encourage others
as you have encouraged us.

Thank you so much for your love.
As we leave now, please surround us with your loving care
and with the confidence
that you ARE with us in all our journeys.

Thank you

Amen
